Music Director and Conductor

The Masterworks Choir was founded in 1979 and remains committed to providing "concerts of the masters" free of charge for the Florence community. There is no membership organization nor is there a charge for admission to the concerts. The activities of the choir are financed by private contributions, grants, local business and civic club gifts and choir dues. It is the support of the community which allows the Masterworks Choir to continue its tradition of fine choral music.
